Dear Parents/Guardians:

Student Supplies 2018/2019

For the school year 2018/2019 we will be asking for **\$30.00 for each student** to cover the cost of supplies needed for your child to be successful at school. This will also include a student planner.

If you were wanting to buy your own supplies, you can approach your student's new teacher for a list of all of the supplies needed for their class.

Please note that the cost of buying on your own will exceed \$30, as the school is able to get some discounts because we buy in large quantities.

Yours truly,

Mr. Gaster & Mrs. Ashton

Please complete and return with the money to your teacher
