School ^{BACK}21

Students will be returning back to school on **Tuesday, September 4, 2018 from 9-10am**. They will go to the same classroom as their previous year so teachers can take attendance and touch base with their former class. At this time, while students are with their former classes, we are inviting families to come to the front foyer where there will be tea, coffee, and refreshments available. This will be a perfect moment to re-connect with staff and other families that you haven't seen over the summer months.

From **Wednesday, September 5-7, 2018** school will be in session for full days from 8:55am-2:47pm. On Wednesday students will be going to their Welcome Classes. Upon your child's arrival in the morning please find their name on the class lists which will be located at both the Front and Back entrances. This is where your child will go for the remaining part of the week, however it is not necessarily the classroom that your child will be in for the school year. Confirmation of your child's classroom placement will be provided later in the week.

Kindergarten Gradual Entry

Kindergarten children will be welcomed at the beginning of September by their classroom teachers in small groups. The children will also attend for shorter periods of time during the first two weeks of school to ensure a smooth and successful transition into Kindergarten. Please come on **September 4th from 9:15-10:45am** in the Community Room to learn more as gradual entry will begin on September 10th. As well, in late August you will receive a letter in the mail with more detailed information.
