Dear Parents/Guardians:

As our school year comes to a close we wanted to ensure that you were informed of the school schedule for the last week of school as well as when you will be able to pick-up your child's report card. For those students who are attending in-class instruction their report card will be handed out to them from their classroom teacher on the day that they are in school. For those that are doing only on-line learning there will be multiple opportunities for you to come to the school and pick-up your child's report card as well. Please see the schedule below:
