March 8th, 5:30 - 7:30
AT EDMONDS LARGE GYM

Enjoy an evening of culture and food from around the world! It's a potluck – bring a main dish (ready to serve), enough to serve your family, plus extra to share. Please remember, no tree nuts, peanuts, and nut-based oils.

It's a celebration - families are encouraged to wear ethnic/traditional outfits, as well as to bring some information/artifacts about their culture or country to display on a table. We are looking for volunteers to help make this event successful. Please consider volunteering when registering.
