Celebrating Student Learning at Edmonds Community School – Student Led Conferences

March 3rd, 2025

Dear Parents/Caregivers:

Please note: We are having Student Led Conferences on March 13th. To accommodate the student conferences, there will be an early dismissal on **Thursday, March 13th at 1:48 p.m.** and **Friday, March 14th at 1:48 p.m.**

Please participate in our Student-led conferences on **Thursday, March 13th**. Your child(ren) will lead the conferences and discussion about their progress while sharing samples of their classroom work with you.

Student-led conferences are important in many ways. They encourage the active involvement of students and provide an opportunity for them to monitor and improve their learning and articulate their own progress. Though many of our students have siblings please dedicate time and focus on the child that is sharing their learning.

Though **formats may vary** from class to class, a student-led conference:

- *Builds the student's knowledge of self*
- *Involves students in their own evaluation, helping them take responsibility for their own learning and goals*
- *Develops and extends communication*
- *Empowers students to set meaningful goals for growth and improvement*

Format

Most divisions will be having **open drop-in** sessions between **2:00-4:30 p.m. and 5:00-6:00 p.m.** We look forward to seeing you on March 13th, and having you join us for the celebration of your child's learning. Our Library, Music Room, ELL, and LSS rooms will also be open and visitors are welcome to drop by. Ask your child(ren) to show you the different spaces where they spend time throughout their school day. **Additional information will be coming from your child's classroom teacher.**

*****Childminding is not available this year *****

Best regards,

Edmonds Staff
