

April 1, 2026

Dear School Principal,

The Ministry of Children and Family Development continues to seek Foster Caregivers in communities throughout British Columbia. We endeavor to reach those who may be most suitable to provide care for children and youth – one such group is the parents of school-aged students.

The Ministry of Children and Family Development has collaborated with the Ministry of Education and Child Care to distribute a Foster Caregiver recruitment message to parents of students across the province. This communication will be delivered by email and is scheduled to reach parents prior to the conclusion of the current school year through posting to your school newsletter, as well as your school Facebook page. As this communication will be sent to Communication Staff around the province, if you do not have Communication Staff within your school district and have not received this information, please reach out to the Centralized Retention and Recruitment Team at the email below and we will happily provide this information.

To complement the information being shared electronically, we are providing the enclosed poster and respectfully request that it be displayed in a location visible to parents, school personnel, and visitors. Your assistance in promoting awareness of the need for Foster Caregivers is greatly appreciated and supports our shared commitment to the well-being of children and youth in British Columbia.

If you require more information, please do not hesitate to contact the Centralized Retention and Recruitment Team at: [MCF.CentralizedRetentionandRecruitment@gov.bc.ca](mailto:MCF.CentralizedRetentionandRecruitment@gov.bc.ca)

Sincerely,

Sharon Armstrong  
Director of Operations, Provincial Resources  
Provincial Priorities Branch  
MCFD
